Message from Dr. Marai M. Alamri, Dean of Medicine

Dear Colleagues and Students of the
Faculty of Medicine,
Faculty of Pharmacy and
Faculty of Applied Medical Science

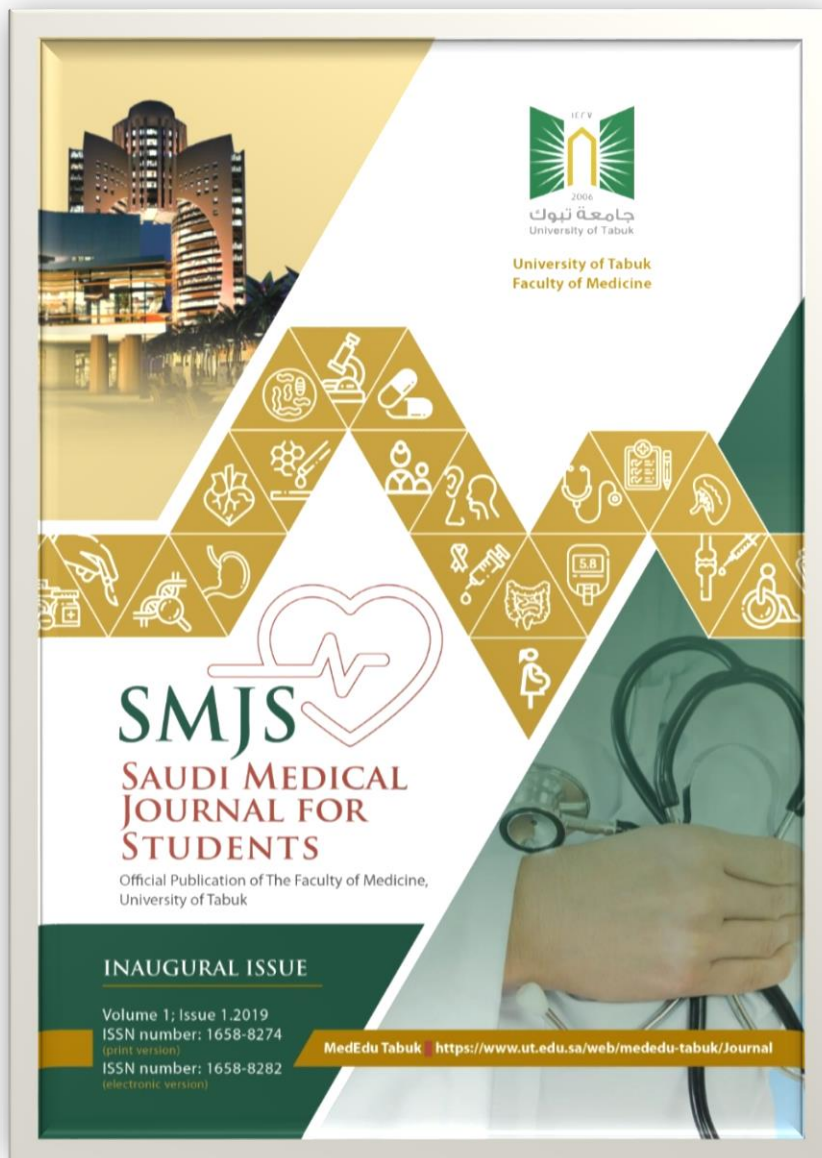

And Welcome to our colleagues and Students from
Faculty of Science and
Faculty of Community (College)

Assalamu'alaikum warahmatullahi wabarakatuh. It is my great pleasure to introduce you to the “**Saudi Medical Journal for Students (SMJS)**” a peer-reviewed journal for Undergraduate students willing to publish health related articles. I like to thank The Rector of the University of Tabuk, His Excellency **Prof. Abdullah bin Mofarh Al-Thiabi** for his keen interest and support for SMJS. We are grateful to him to suggest the name “Saudi Medical Journal for Students” which reflects the true aim and scope of the Journal. It is a journal “**For the students and by the students**” aimed at facilitating and encouraging student research and scientific publication. My sincere appreciation to my distinguished colleagues the Deans of the Faculty of Pharmacy, Applied Medical Science, Science, Research and Community College for their active support. Thank you to my colleagues at the Faculty of Medicine for your support and enthusiasm. Finally, to the students for being a part of this project. We believe it is going to be the pride of our University but for this we need to work together. May Allah SWT guide us properly.

Message from the Editor-in-Chief- Dr. Tanveer Raza

This week's issue is dedicated the "Saudi Medical Journal for Students (SMJS)". A peer reviewed journal and an official publication of the Faculty of Medicine, this journal is aimed at encouraging students towards scientific writing and publication. A first in the Kingdom of Saudi Arabia, we believe that our journal has already started breaking new ground. I invite students and my colleagues to be a part of our initiative and make it a huge success. Please feel free to contact us any time with your advice and suggestions, my contact is Tel: 0537251324 and email: traza@ut.edu.sa
