

## **Program Educational Objectives**

Program Educational Objectives (PEOs) are broad statements that describe what graduates are expected to attain within five years of graduation. The PEOs support the mission of the institution and are based on the needs of the program's constituencies.

The PEOs for the Civil Engineering Program are that within five years of graduation:

**PEO 1:** Graduates will establish themselves in successful careers in civil engineering or related fields and will become key team member that can communicate and collaborate effectively in a multidisciplinary environment.

**PEO 2:** Graduates will take into account economic, environmental, societal and ethical considerations in solving the civil engineering problems.

**PEO 3:** Graduates will pursue life-long learning, professional development, professional licensure and participation in professional societies or graduate studies.
