

Curriculum Vitae

Personal Profile

Name: Alsharif Sharif Taha Mohamed

Address: Tabuk University, Faculty of Computers & Technology, Computer Science Department.

Phone: +966-557306205

E-mail: amohamed@ut.edu.sa , alshariftaha68@gmail.com

Nationality: Sudanese

Marital Status: Married

Religion: Islam

Language: Proficient Arabic & English.

Objective

I would like to hold a position that will build on my skills and experience and allow me scope for upward movement and where progress can be achieved by caring for people who need help, attention, and assistance. And last but not least where the organization could be benefited through my constructive work.

Educational Qualifications

Omdurman Islamic University [Sudan, Khartoum]

The degree of Doctor of Philosophy (Ph.D) in computer science faculty of Science & Technology (2014).

University of Gezira [Sudan, Khartoum]

Master Degree in Computer Engineering and Networks faculty of engineering and technology (2003).

Omdurman Islamic University [Sudan, Khartoum]

Bachelors of Science (B.Sc. honors) in Computer Science (1997).

Work Employment

[Tabuk University]

Position: Assistant Professor in the department of Computer Science faculty of Computers & Technology.[Date: 2015 – Present]

[Omdurman Islamic University, Sudan]

Position: Assistant Professor in the department of Computer Science faculty of Computer Science & Technology.[Date: 2014 – 2015]

Emirates Collage for Science & Technology [Sudan, Khartoum]

Position: Head department of Information Systems. Assistant Professor in the Emirates Collage for Science & Technology.[Date: 2014 – 2015]

[Omdurman Islamic University, Sudan]

Position: A Lecturer in the department of Computer Science, faculty of Computer Science & Technology.[Date 2007 – 2014]

[Jeddah Teacher's College, Saudi Arabia]

Position: A Lecturer in the Dept. of computer science, in the faculty of Teacher's collage. [Date 2003 – 2006]

Training Programs:

- A training course in educational preparation for university professor, organized by the Academic Development and overall quality at Teacher's College in Jeddah 2006.
- A short course on " JAVA & WEB APPLICATION". The course has been conducted by the department of Computer Science with collaboration from University of Bergen 2007.
- A training session of teaching staff, organized by Staff Ability Promotion in Co-operation with Administration of Evaluation & Accreditation at Omdurman Islamic University in Khartoum 2009.
- A training program organized by Azzain Center for Management Training in Co-operation with the Ministry of Higher Education and Scientific Research in Khartoum 2012.The program includes:
 - a training course in Statistical Package for the Social Science (SPSS).
 - a training course in The basics of scientific research.
- An initial course in Basics of Scientific Research organized by the Advanced Training & Performance Development Center, University of Khartoum 2012.

Scientific Papers:

1. Climate-Aware LiDAR-Driven Reinforcement Learning for Adaptive Safety Decision-Making in Autonomous Vehicles and Consumer Applications, IEEE Transactions on Consumer Electronics, University of Tabuk, (2025).

2. A Dual-Sequence Hybrid Stacking Model for Enhanced Short-Term Load Forecasting, International Journal of Applied Mathematics(IJAM), (2025).
3. Title: Identification of Linear Systems using Recurrent Neural Networks, Arab Journal of Science and Technology (AJST), Tabuk University, (2021).
