الموقع:

In partnership with Tabuk University @U\_Tabuk, the Environment Week activities kick off on Sunday, March 20th, at King Salman bin Abdulaziz Royal Reserve with a walking marathon and an environmental cleanup campaign, along with various events to introduce the natural treasures of the reserve. Join us nearby!

## International Exhibition and Forum for Afforestation Technologies

[https://twitter.com/U\\_Tabuk/status/1531205126249238528?s=20](https://twitter.com/U_Tabuk/status/1531205126249238528?s=20)

A glimpse of Tabuk University's participation in the International Exhibition and Forum for Afforestation Technologies organized by the National Center for Vegetation Development and Desertification Control in collaboration with the Ministry of Environment, Water, and Agriculture.

### Red Sea Bloom

[https://twitter.com/dsa\\_ut/status/1467562241935429639](https://twitter.com/dsa_ut/status/1467562241935429639)

In conjunction with the Saudi and International Volunteer Day, Phase 2 of the "Red Sea Bloom" initiative 🌱 kicked off today, in collaboration between the Student Affairs Deanship, the University College in Umluj at Tabuk University, the Red Sea Development Company, and the National Center for Vegetation Development, aiming to plant two thousand tree seedlings.

### Thank You, Environmental Friend

[https://twitter.com/event\\_ut/status/1457416298141454346](https://twitter.com/event_ut/status/1457416298141454346)

The Mathematics Department at the University College in Haql, in collaboration with the municipality of the province, implemented the "Thank You, Environmental Friend" initiative aimed at promoting environmental awareness and instilling a sense of personal responsibility in maintaining cleanliness in

public places and parks. This initiative includes honoring (50) sanitation workers in appreciation of their efforts.
